

COOKIES POLICY

I. LEGISLATION IN FORCE

In compliance with the provisions under Law 29733, Personal Data Protection Law in Peru, and its corresponding regulation, approved through Supreme Decree No.003-2013-JUS., from this website we inform you that we use cookies to personalize content and ads, to provide social media features and to analyze our traffic. We also share information about your use of our site with our social media, advertising and analytics partners who may combine it with other information that you have provided to them or that they have collected from your use of their services.

II. WHAT ARE COOKIES?

A cookie is a file that is downloaded to your computer to access certain web pages. Cookies allow a website, among other things, store and retrieve information about browsing habits of a user or your computer, depending on the information they contain and the way you use your computer, can be used to recognize the user.

III. WHAT TYPE OF COOKIES DO WE USE?

This website uses the following types of cookies:

Analytical cookies: These are those well treated by us or by third parties, allow us to quantify the number of users and perform the measurement and statistical analysis of the use made by users of the service offered. To do this, your browsing on our website is analyzed in order to improve the offer of products or services we offer.

Technical cookies: These are those that allow the user to navigate through the restricted area and use its different functions, such as carrying out the purchase process of an item in return.

Personalization cookies: These are those that allow users to access the Service with some predefined general characteristics based on a series of criteria established by the user, such as the language or the type of browser through which you connect to this website.

Advertising cookies: These are those well treated by us or by third parties, allow us to manage as effectively as possible the supply of advertising spaces in the website, tailoring ad content to content of the requested service or to your use of our website. So, we can analyze your browsing habits on the Internet and we can show related advertising with your profile browsing.

IV. HOW TO DISABLE COOKIES?

You can accept, block or delete cookies installed on your computer by configuring your browser options.

In most web browsers the possibility of accepting, blocking or deleting the cookies installed on your computer is offered. In the following links you will find instructions to enable or disable cookies in the most common browsers.

- [Set cookies in Google Chrome](#)
